## *Chief Winemaker, Chris Dix*

*Winemaking for Beresford is spearheaded by Chief Winemaker, Chris Dix, who bases himself at the Step Rd Winery in the neighbouring wine region of Langhorne Creek. Chris is a local boy who has over 20 years winemaking experience in some of South Australia's most acclaimed regions including Langhorne Creek, Coonawarra, Riverland and Clare Valley.*

## *Our Vineyard*

*Our 28 hectare vineyard was first planted in the 1960's and located at the height of one of McLaren Vale's most elevated sites in the cool Blewitt Springs sub-region, sitting 130 meters above sea level. Grown in ancient sandy soils, the deep sand above the clay sub-soils allow the vines to be dry-grown with minimal or no irrigation, creating wines of intense flavours & soft mouth filling tannins.*

*Our vineyard is a true representation of McLaren Vale's most successful wine-grape varieties - 60 year old gnarly old bush vine Grenache, balanced Shiraz & Cabernet Sauvignon and leading clones of Chardonnay.*

## *Winemaker, Chad Fenton*

*Born & bred in the Fleurieu peninsula, Beresford Winemaker Chad Fenton has completed more than 10 vintages in McLaren Vale. He has further expanded his winemaking skills & expertise through working with sparkling wine specialists in the Adelaide Hills as well as producers in Langhorne Creek. But to Chad, there's no place like McLaren Vale.*
