HILLS SERIES FIELD BLEND

VINTAGE: 2021

VARIETY: Sauvignon Blanc, Pinot Blanc, Riesling

CLONES: F4V7, 1294, GM239

VINEYARD: Balhannah, Adelaide Hills

SOIL TYPE: Well-drained light brown clay with shale fragments overlying a ironstone rock bed.

ELEVATION: 420m

CONDITIONS: East facing vineyard

PICKING DATE: 17/03/21

ALCOHOL: 12.5%

pH: 3.27

TA: 6.77

WINEMAKING: Sauvignon blanc, pinot blanc and riesling grapes were hand harvested in the cool of the early morning and delivered directly to the winery. All three varieties were immediately destemmed into picking bins, covered in dry ice and sealed to soak for 48 hours. After which the destemmed fruit was pressed, taking only free run juice to large format French oak for ferment. All components were fermented wild in their respective vessels and kept on fine lees for 3 months to build texture.

TASTING NOTES: Brilliant platinum with green hues. Kaffir lime, green apple skin, gooseberry, nettle leaf and lemon thyme. Clean, crisp and fresh. Finger lime, lemongrass and guava. A long textural and mineral finish.
