# Welcome

## Hello and welcome to our first Australia and New Zealand Trade Tasting in Edinburgh.

The Aussies and Kiwis are good mates with lots in common. Fine wine, great food, stunning scenery, the cool Southern Ocean and also our cool Antipodean attitude.

New Zealand Winegrowers' annual trade tasting has been running since 1982 and Wine Australia's since 1986, and this is the first time that we've come together to run the event.

Our wines are an expression of our distinctive terroirs and the vibrant communities that craft them. Perfecting traditional techniques and inventing our own ways of doing things, we push the boundaries in the pursuit of the most diverse, thrilling wines in the world.

Explore more than 350 wines from 35 producers, ranging from international superstars to small boutique newbies. You'll find wines from 36 regions across Australia and New Zealand, and 35 different grape varieties. This is an opportunity to taste the latest vintages from iconic producers, discover alternative grape varieties and new wave styles, meet winemakers and catch up with importers.

We love to craft exceptional wine while protecting our natural wonders for future generations to enjoy.

At today's tasting, you can meet organic, biodynamic and sustainable champions and find out how our producers are nurturing the land, supporting regional communities and establishing resilient businesses.

We extend a particularly warm welcome to our 'new to market' Australian and New Zealand producers. Discover 50 new wines from wineries seeking distribution in the UK. Their wines include Marlborough Pinot Gris, Central Otago Pinot Noir, and Marsanne and Roussanne blends from Yarra Valley and the Pyrenees. Offering a range of styles and varieties, there's something for every buyer.

Lake Chalice Wines is one of the few remaining privately and locally owned wine companies in New Zealand. Proudly owned by the Ibbotson family and located in the country's premier wine-growing region Marlborough. The winery prides itself in exceptional quality from grape to glass. To ensure the diverse microclimates and terroir of the Wairau Valley are translated into all Lake Chalice wines, winemaker Chloe Gabrielsen takes a boutique approach. Lake Chalice Wines feature the endemic New Zealand Falcon or "Kārearea" on all wine labels and are proud supporters of the Marlborough Falcon Conservation Trust.

Neal and Judy Ibbotson have been viticulture pioneers in Marlborough since 1978. The grapes from their vineyard were originally supplied to local wine companies, however they wanted to showcase the quality they had achieved in their vineyards through to the finished wine as well. This desire is what led to the establishment of Saint Clair Family Estate in 1994. Our mission is to create world-class wines that exceed our customers' every expectation. Neal combines his extensive viticultural expertise, the unique mix of Marlborough's climate and soils, and the talent of one of New Zealand's leading winemaking teams to achieve this mission.

SEEKING DISTRIBUTION

Having produced wines for over 20 years, winemaker Ant Moore is a creative oenologist who thrives off the diversity in what the job entails. Producing wines that are drier in style, Ant Moore wines are of consistent quality where just as much attention is paid to the vineyards as the winery. It's very much a collaborative process for their team and they look forward to sharing a selection of their wines with the industry in Dublin, London, and Edinburgh.

Soul Growers embodies everything great about the Barossa: shared wisdom, new ideas, mateship, and a passion for making exceptional wine. Founded by three friends—Paul, Tom, and Stu—who left the corporate world to pursue their dream, Soul Growers is rooted in the heart of the Barossa Valley. They believe the grape growers are the soul of the region, toiling daily to produce beautiful fruit. Their goal is to let the vineyards speak through their wines, guiding nature's bounty with a gentle hand. Each wine captures the essence and provenance of the Barossa, showcasing its regional and varietal character. Soul Growers represents more than just wine; it's a lifestyle focused on what's good for the soul—wine, food, family, music, mates, and fun.

SEEKING DISTRIBUTION

Levantine Hill is the perfect merger of two vineyards right in the heart of the Yarra Valley. On the one side, a vineyard producing superior grapes since the 1990s. On the other, lovingly planted family blocks right alongside a Truffière surrounding our Homestead. Together, this combined estate is pure testament to the passion and toil of dedicated human hands and man's tenuous relationship with the nurturing love of Mother Nature.

Mahi: "our work, our craft"

Established in 2001 by Brian and Nicola Bicknell, the main aim of Mahi is to highlight the true depth, quality and diversity of the individual vineyard sites in Marlborough. The primary emphasis for all of Mahi's wines is texture, aiming for wines that give real palate satisfaction rather than fruit-bomb styles. The koru in the snail logo is used to show our wines are constantly evolving. It also represents time which is key in our winemaking process.

Peerick is a fusion of ancient cultures, spiritual connections and dogged commitment to sustainability ... and the production of powerful, elegant wines with intense flavours, superb structure, colour and ageing potential. Our name, derived from the Aboriginal word 'beeric', was bestowed on our region by the Dja Dja Wurrung. Their beliefs and dreamtime stories, together with the triskele from our Celtic culture, are proudly depicted on our labels. It encompasses our deep spiritual connection to the ancient, fragile country from which our wines are derived, permeating everything we do, from viticultural practices through to our minimalist intervention wine making.

Heaphy Vineyard is a small winery in the north-west corner of New Zealand's South Island, a region named Nelson Tasman. Our winery is situated high above Tasman Bay on the Moutere Hills, where our 10ha of long-established vineyards are defined by Moutere's signature clay soils. First planted in 1973, our vines are amongst the very oldest productive vineyards in New Zealand.

Nangkita Wines produces still wine varieties of Shiraz, Cabernet Sauvignon, Merlot, Chardonnay and Sauvignon Blanc from Nangkita Single Vineyard – the Southern Fleurieu’s most acclaimed vineyard. With over 40 medals and trophies awarded in recent years, it has a well-deserved international reputation for producing outstanding wine in limited quantities. A sizable, elevated site on superb soils nestled amongst the rolling hills and hidden valleys between McLaren Vale and Langhorne Creek, the Nangkita Vineyard is perfectly situated for growing low yield premium wine grapes. The vast oceans to the south and west strongly influence the Mediterranean climate, resulting in a cool and long growing season. We are privileged to be the guardians of the Nangkita Vineyard, where we continue the accomplished legacy of handcrafting elegant and flavoursome wines of great distinction.

SEEKING DISTRIBUTION

Blue Pyrenees Estate was established in 1963 by the French company Rémy Martin. The winery's first manager pioneered with plantings of famous French varieties like Shiraz, later experimenting with new world varieties, paving the way for premium cool climate viticulture in Australia. The rest, as they say, is history. Blue Pyrenees Estate was among the modern Australian wine industry's first ventures into cool-climate viticulture. In 2019 Blue Pyrenees Estate was purchased by the proprietors of Glenlofty Estate, the long standing central Victorian family the Richmond-Smith's. We've continued to evolve over the years and are proud to make authentic, world-class wines that do the Pyrenees region justice.
