# Welcome

## Hello and welcome to our second Australia and New Zealand Trade Tasting in Edinburgh.

The Aussies and Kiwis are good mates with lots in common. Fine wine, great food, stunning scenery, the cool Southern Ocean and also our cool Antipodean attitude.

Our wines are an expression of our distinctive terroirs and the vibrant communities that craft them. Perfecting traditional techniques and inventing our own ways of doing things, we push the boundaries in the pursuit of the most diverse, thrilling wines in the world.

Explore more than 450 wines from 138 producers, ranging from international superstars to small boutique newbies. You'll find wines from 47 regions across Australia and New Zealand, and 22 different grape varieties. This is an opportunity to taste the latest vintages from iconic producers, discover alternative varieties and new wave styles, meet winemakers and catch up with importers.

We love to craft exceptional wine while protecting our natural wonders for future generations to enjoy. At today's tasting, you can meet organic, biodynamic and sustainable champions and find out how our producers are nurturing the land, supporting regional communities and establishing resilient businesses.

We extend a particularly warm welcome to our 'new to market' Australian and New Zealand producers. Discover 70 new wines from wineries seeking distribution in the UK. Australian wines include alternative varieties from McLaren Vale, chocolate infused fortified wine, and Chardonnay from Australia's first Indigenous-owned wine company. New Zealand wines seeking distribution include Pét-Nat from North Canterbury, Syrah from Auckland, and Central Otago Pinot Noir. Offering a range of styles and varieties, there's something for every buyer.

If you have any queries about Australian or New Zealand wine, the Wine Australia and New Zealand teams are on hand and please don't hesitate to contact us on [uk@wineaustralia.com](mailto:uk@wineaustralia.com) and [sarahs@nzwine.com](mailto:sarahs@nzwine.com).

Since 2013, risky business wines is West Australian, family-owned and -operated, and brings together the vision and decades of experience of Rob Quenby (viticulturalist) and John Waldron (vintner). Rob brings us the opportunity to pre-select the best parcels of fruit from great vineyards to use in the risky business range. Winemaking philosophy is simple and relatively non-intrusive with the aim to produce – fine – and distinctive wines, reflecting the individual characteristics of the vineyard and variety. The fruit for the Chardonnay, Luxe, Cabernet, Malbec and Red Blend is sourced from Western Australia, and mostly from Margaret River. We chose to go to the King Valley in Victoria's high country, renowned for its strong Italian agricultural heritage, for the Italian wine styles Prosecco, Grigio and Sangiovese. Our winemakers are Gavin Berry and Warren Proft.

Small Wonder crafts expressive, cool-climate wines from two of Tasmania's leading cool-climate regions: a certified organic vineyard in the Tamar Valley and a second site in the Coal River Valley, currently in organic transition. All wines are hand-harvested, made and bottled on-site at our purpose-built winery in the Tamar Valley. Winemaking is light-touch yet precise: wild ferments, gentle lees work, restrained oak and gravity-led handling. With small-batch fermentations and block-by-block vinification, each wine reflects its site, soil and season. A new cellar door and restaurant are set to open in 2026, further elevating Small Wonder's role in Tasmanian wine and tourism.

The Catalina Sounds journey started in 2005 with a singular vision to produce the best wines in the Marlborough region. Named after the majestic Catalina sea planes that provided vital transport across the vast Marlborough Sounds in WWII, **Catalina Sounds** produces wines that are distinct and true to their vineyard sites in the Southern Valleys. **Crowded House** wine brings together everything that Marlborough Sauvignon Blanc does best; bright tropical fruits, a crisp and lingering finish. Made with carefully selected parcels from our Estate vineyard and others throughout the valley. From the ruggedly beautiful terroir of Central Otago in New Zealand, **Nanny Goat** produces fruit forward wines with powerful firmly structured palates. Founded in 2004 and named after the nimble and sure-footed wild goats of the region, we adapt and thrive in this often extreme climate.

Peter Lehmann founded his namesake winery in 1979 to help Barossa growers during a grape oversupply crisis. Known as the man who “saved Barossa,” his legacy is legendary. Today, head winemaker Brett Schutz crafts terroir-driven wines from grapes sourced across their Barossa family of growers to make the Peter Lehmann signature wines decades of consumers have come to love.

Meanwhile, the Morris family’s journey began in 1859 planting their first vineyard near Rutherglen, Victoria. Today Madden Morris is the sixth-generation Chief Winemaker at Morris of Rutherglen. On show are a unique pair of fortified muscats, incredibly rich, hedonistic wines produced from non-vintage blends including some portions of wine from 100 years ago.

SEEKING DISTRIBUTION

Conversations with nature happen in the thrill of discovery, in following the vineyard through the seasons, and in exploring the diverse terroirs of Margaret River and the Great Southern. This is where Snake + Herring begins — small-batch wines shaped by adventure, observation, and creativity. Limited yields and hand-crafted winemaking allow precision at every stage, guided by acclaimed winemaker Tony Davis.

Thunderstone wines are the expression of forward-thinking yet deeply rooted in site, reflecting the unique soils of the vineyards at the base of the Porongurup range. This isn't a wine region built on pretense — there are no grand cellar doors. No tour buses. It's wild, yes — but carries a rugged, raw intention. A deep connection to place.

Neal and Judy Ibbotson have been viticulture pioneers in Marlborough since 1978. The grapes from their vineyard were originally supplied to local wine companies, however they wanted to showcase the quality they had achieved in their vineyards through to the finished wine as well. This desire is what led to the establishment of Saint Clair Family Estate in 1994.

Our mission is to create world-class wines that exceed our customers' every expectation. Neal combines his extensive viticultural expertise, the unique mix of Marlborough's climate and soils, and the talent of one of New Zealand's leading winemaking teams to achieve this mission.

McHenry Hohnen Vintners was founded in 2004 as a venture between pioneer Margaret River winemaker David Hohnen and his brother-in-law and vine-grower, Murray McHenry. All the grapes are sourced from family-owned vineyards in the southern edge of the Margaret River region. Today, winemaking is headed up by Jacopo Dalli Cani. The McHenry Hohnen intention is to shape wines with verve and vitality. This is done by embracing a 'hands-off' winemaking philosophy, where each wine is a focussed expression of its variety, its growing season and its individual site. Viticultural practices embrace old-school holistic farming philosophies and biodynamic practices which cultivate an environment where the soil and its organisms, along with plants, insects and animals, co-exist in a thriving equilibrium.
