

EST'D  2007

VINACEOUS

FINE AND DISTINCTIVE WINES

Since 2007 our unique collaboration has granted us access to some of the best vineyards from The Great Southern and Margaret River regions in Western Australia and enabled us to produce delicious wines.

Our winemaking philosophy is simple and relatively non-intrusive – to produce fine and distinctive wines, that reflect the individual characteristics of the vineyard and variety.

Winemakers : Gavin Berry, Michael Kerrigan

Managing Partner : John Waldron

“Wines of seriously good quality and equally good value.” - James Halliday 2019 Wine Companion.

“Excellent winery able to produce wines of high to very high quality.”

- James Halliday 2021 Wine Companion.

Created By Nature. Crafted By Hand (natural)

Sustainable Farming

Vegan Friendly

No Fining

No Filtration

Minimal Intervention Winemaking

With rising interest in more natural style wines, more people are caring more about what goes into their wines other than just the grape variety or the source.

Handcrafted and Small Batch

Our Created By Nature. Crafted By Hand are handcrafted and all small batch wines.

No Filtration / No Fining

It's possible that too much filtering and fining can strip a wine's flavours and aromas, our 'unfiltered' wines have an appealing texture and mouthfeel.

Vegan Friendly

No animal-based fining agents used.

Sustainable Farming

Our source vineyards take an integrated farm management approach allowing sheep to graze after harvest to control weeds and provide organic matter for the vineyard.

Vinaceous Crafted By Hand Rosé (natural) 2021

Our Vinaceous Crafted By Hand Rosé is made in a more traditional style with minimal intervention to the finished wine.

Fruit was pressed straight from harvest to give a delicate colour and minimise the phenolic pick up that comes from time on skins and seeds.

Post fermentation, we have done away with traditional finings, stabilisation methods and filtration to allow the fruit to speak for itself.

Unfiltered, it has an appealing texture and mouthfeel.

The wine is simply decanted from the tanks to the bottle. The retention of some of the fermentation lees allows for a slow breakdown of the remaining yeast in the bottle, adding more body to the wine over time.

Production: 500 dozen.

Colour: White peachy pink with a slightly copper tone.

Aroma: Fabulously fruited and instantly appealing, prominent red berry flavours on the nose

Palate: Bone dry with an appealing texture and mouthfeel.

Stirring up the bottle before drinking will add body and texture.

Fruit Source: Single Vineyard Margaret River, WA Shiraz

Bottled: 24.6.2021

Alc = 13.4% PH =3.35 TA =5.8 G/F= 0.7g/l
