

2022 ESTATE PINOT GRIS

WINE DESCRIPTION:

Displaying a light varietal blush colour, this Pinot Gris is fruit driven and packed with zesty lime, ginger, and floral white blossom. Fermented with a high number of grape solids to create a textural, creamy mid-palate. Stone fruits and pear are present on the palate, balanced by mouth-watering acidity delivering a crisp finish.

WINEMAKING:

This 2022 Pinot Gris was sourced from our Eden Valley estate in the rolling hills of Pewsey Vale with an elevation of 550 metres. The fruit was picked at the cool of night and then delivered to the winery, where it was gently pressed. It was then cold settled for 48 hours before being racked. Fermenting at cool temperatures with a small number of solids allowed us to create this textural perfumed wine.

VARIETY: 100% Pinot Gris

REGION: Barossa, Eden Valley

ALCOHOL: 12.5%

VINTAGE: 2022

CELLARING: This wine can be enjoyed now or until 2027

VEGAN FRIENDLY
