

# 2018 WILLIAM FREDERICK SHIRAZ

The William Frederick Shiraz, our pinnacle wine, is made in strictly limited release numbers. With this wine we are delighted to deliver wine making excellence, most suited to your fine wine collection.

Named in honour of Trevor's late father, William Frederick Harch (1910 – 1976), this cool climate single vineyard Eden Valley Shiraz is the pride of our vineyard – seamless and delicately crafted from only our finest parcels of fruit. Our estate grown grapes are hand picked from 90 year old vines.

## TASTING NOTE

---

Totally opaque ink black wine in the glass, the aromatics are dense, intense, complex, savoury and spicy, with a volley of violet/spring blossom florals popping over the top.

The palate is dominated by big velvety pillows of fruit, which are masking substantial foundations of submerged tannins. This is a big but elegant 'depth-charge' of high country Shiraz.

Cellar under the right condition with confidence for up to 15-20 years.

## PRODUCTION

---
