**VINIFICATION & WINEMAKING**

In 2022, the vineyard experienced primarily mild and cooler growing conditions. The timely arrival of September rainfall further supported the growing season, resulting in consistent fruit maturation. Harvested in cycles, grapes were destemmed and transferred to temperature controlled fermenters where this process extracted the intense colour and flavours from the skins. Vine dried Shiraz is blended with our traditional Shiraz to create the DOUBLE PASS, which gives this classic variety a juicier and richer twist.
