

## The Welland Story

In South Australia's Barossa Valley, in the township of Nuriootpa is where you'll find the Welland vineyard. Planted in 1923 by one of the Barossa's founding families, Welland is the last remaining section of much larger plantings of vines and fruit orchards that once occupied the northern end of the township.

Over the years much of the original vineyard and orchard had been cleared, subdivided and built upon. But when the last remaining hectares of this historic old Nuriootpa vineyard were listed for sale as a development site, a group of friends banded together to purchase it and breathe life back into this important part of Barossa history.

To be continued....

## Near & Far 2022 SHIRAZ

Our Near & Far range of wines are produced from vineyards across South Australia, some 'Near' to our Welland vineyard in Barossa and some in 'Far' away locations. We aim for a style that that will keep everyone at the dinner table happy! This Shiraz offers good weight without being overly heavy, soft tannins and abundant berry fruit character on both the nose and palate. Minimal use of oak allows the Shiraz fruit character to shine!

## Winemaking

Picked, crushed and de-stemmed into a fermenter for seven days, the ferment is pumped over twice daily to maximise colour and flavour extraction from the fruit. Subtle use of both French and American oak prior to bottling.

Alcohol 14.5%
