## Massena Single Vineyard Greenock Shiraz

<b>Vintage:</b>	2021
<b>Grape Variety:</b>	Shiraz
<b>Region:</b>	Barossa Valley
<b>Sub Region:</b>	Greenock
<b>Origin:</b>	Barossa sub-region Greenock has rich red clays over limestone, which restricts vigour and gives a smaller berry size. This results in wines with power and structure with a balancing energy from the limestone substrate. The wine is unrefined and unfiltered.
<b>Winemaking:</b>	Destemmed and fermented in wooden fermenters with plunging twice daily, then lids are put on the ferments and held on skins for a further 4 weeks to build tannin structure. Basket pressed direct to barrel and aged on lees in a mix of a new french oak puncheon as well as seasoned barriques for 20 months, the final blend being 25% new oak.
<b>Bottling Date:</b>	August 2023
<b>Tasting Notes:</b>	Strong aroma right off the bat with notes of dark plum and perfumed violets. Palate delivers notes of liquorice, clove and toasty oak. Long finish with a lasting taste.
