How to use

1. Download and print one for the week and stick to the fridge
2. Ask the kids to fill in their desired rewards for reaching a certain amount of stars
3. List the chores that are required to do be completed each week in the first column
4. Assign chores to each child by adding their name to the day-of-the-week columns
5. Mark off when each chore is done by placing a star sticker over the child's name who completed the chore
6. Make it a race to see who can complete their weekly chores first!
