

Options trading application form

Important: You must subscribe to IRESS trading platform to trade options.

Complete this form if you wish to apply to transact in options on your Openmarkets trading account. New clients: simply attach this form to your new account application. Applications should be emailed to service@openmarkets.com.au.

Options transaction types

The following options transaction types may be accessed through Openmarkets:

- Bought/long puts or calls – where cash must be available up front in your linked cash management account (CMA)
- Covered calls – where specific stock must lodged as collateral with the Australian Clearing House (ACH)

Important reading

Before you submit this application it is important that you have read and understood the following documents:

- Openmarkets options product disclosure statement (PDS)
- ASX booklet 'Understanding Options Trading'

Both of these can be downloaded from our [website](#).

Additional education

There are also free options [trading courses](#) and [education](#) available via the ASX website.
