• **ENTER RESULTS USING THE EMR FINALS PROGRAM.**

1. Team representatives meet following the game with the scorecard.
2. The representative of the winning team scans the MATCH RESULTS ENTRY QR code.
3. Fill in the details of the match.
 - a. Begin with the game ID listed on the fixture next to your match. Each game ID is unique. e.g.- 1A, 7G
 - b. If you are the first team listed on the match fixture you are TEAM 1
 - c. Scores entered must be the total score.
4. Have the results been verified??? click the button for NO
5. If both schools approve what has been entered PRESS Submit
6. Winning team to send paper scoresheet to Convenor for verification.

Once you have submitted the results the digital fixture will update with the scores and be labelled with an *. The * indicates the Convenor has not seen the scoresheet. Once it has been visually verified by the convenor they will approve the score and * will disappear. You won't need to wait around to see results be manually updated, you can check progress on the day from anywhere at the event.
