School Sport VICTORIA

INTRODUCTION

School Sport Victoria, as part of the Department of Education, delivers an **extensive school sport program** to **primary** and **secondary students** across **Victoria**. This document provides an overview of the **School Sport Victoria 2026 School Sport Program** available to **Victorian school members** and **students**.

School Sport Victoria's Strategic Directions 2020 to 2030, aims to provide a clear direction for **School Sport Victoria** to **engage more Victorian students in school sport**.

School is the **only opportunity** for some **children** to **play sport**. **Participation** in **school sport** can provide many **positive physical, mental** and **social benefits**. **More physically active students** have been found to **achieve better academic results** and **physical activity** has been positively linked to **concentration, memory** and **behaviour**. Additionally, **children** who play sport are more attentive at school and its supports them staying at school longer.

School Sport Victoria's role is to enable students to **PLAY** sport, champion the **VALUE** of school sport, and **CONNECT** school and community sport. As part of this role, **School Sport Victoria** provides **inclusive** and **accessible participative** and **competitive opportunities** in school sport to involve a wider range of Victorian students.

Each year, more than **2,500 Victorian primary, secondary** and **specialist schools / campuses** access the wide range of **membership benefits** provided through **School Sport Victoria**.

SCHOOL SPORT PATHWAY

School Sport VICTORIA

School Sport Victoria's role includes providing opportunities for students to play sport and connecting school and community sport.

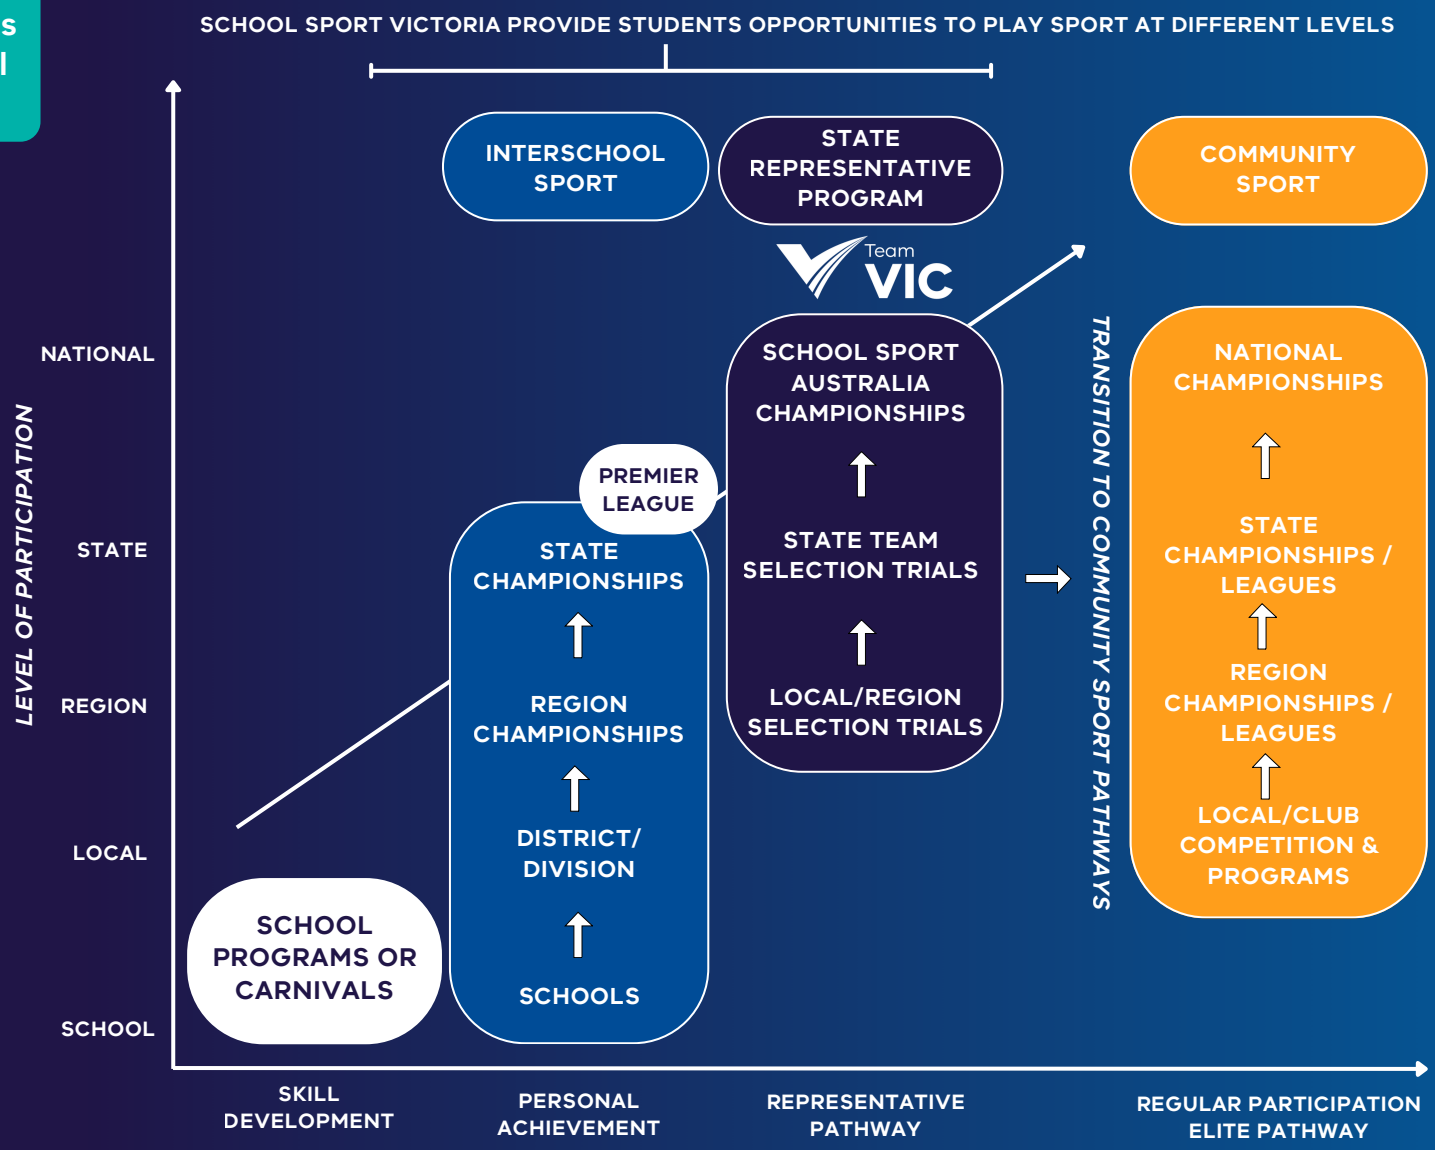
School Sport Victoria provides **students opportunities** to play sport from local through to **national levels**, whilst enabling **connection** to **community participation pathways.**

School Sport Victoria offers a range of ways to **engage students** in **sport** and being **active**, which includes:

- **SSV Interschool Sport**
- **SSV Team Vic**

The range of **sports** and **activities** provided through School Sport Victoria **aligns** with opportunities through **community programs** and **pathways** – whether this be at the **grassroots** level or **talent development pathways.**

This **alignment** includes consideration of the **format** of **sports** and activities offered at **primary** and **secondary** school level.



INTERSCHOOL SPORT COMPETITION

School Sport VICTORIA

School Sport Victoria delivers a **comprehensive interschool sport program** for Victorian students in **years 4 to 12** to represent their school, with competitions organised across eight (8) School Sport Victoria sporting regions.

The i**nterschool sport program** offers a pathway for school teams and individual students to progress through levels, from local interschool competitions and events, to State Championships. This is organised across **four (4) levels being district, region, division and state in primary school** and **three (3) levels being division, region and state in secondary school.**

Schools are allocated to a local district (primary)/division (secondary) within one of the eight sporting regions.

School Sport Victoria's **interschool** sport program is delivered either through a **statewide network of 350+ SSV Coordinators** or **partnerships** with **state sporting organisations (SSO's).**

School Sport Victoria addresses the needs of students with **disability** to participate in school sport through ***multiclass*** opportunities provided across a range of sports.

School Sport Victoria also offers a **Premier League competition** which cater for secondary schools, including specialist sport schools, that have high performing students for selected team sports.

Some **State Sporting Organisations** deliver **all schools championships**, which are open to all Victorian schools to enter. These are separate to SSV's State Championships offered across the interschool sports program.

Further information is available via School Sport Victoria's policies including ***Competitions Pathways and Progressions***, and ***General Conditions of Competitions.***
