Finals and progression to region

Boys/Mixed: top 3 go to region

1. Each pool plays a round robin. Pool A teams play 4 games, pool B teams play 5.
2. The top 2 from each pool play the semi-finals: **1st pool A v 2nd pool B** and **1st pool B v 2nd pool A**.
3. Both semi-final winners go to region.
4. The two semi-final losers play a **3rd/4th playoff**. The winner takes the third region spot.
5. An optional grand final between the semi winners decides the division champion.

Girls: top 2 go to region

1. Round robin: every team plays the other five once.
2. 1st and 2nd on the ladder go to region. There's no girls final.

Ladder rules

- Win 4 · draw 2 · loss 0.
- Teams level on points: head-to-head, then points difference, then points scored.
- Finals can't end in a draw: play extra time.
