

McDonald's Hong Kong Proudly Presents The Final Four Globally Exclusive "Dragon Ball DAIMA Cards" Including the Extremely Rare Special Edition Shenron Collectible Card

[November 29, 2024 - Hong Kong] McDonald's Hong Kong launched the globally exclusive **Dragon Ball DAIMA Limited-edition Cards** earlier this week, which sparked a city-wide Dragon Ball DAIMA frenzy! Starting 11am next Monday (December 2), the final four highly anticipated Limited-edition Cards will be available, including the **Special Edition Shenron Collectible Card**. All Dragon Ball fans are invited to join the exhilarating journey of collecting the seven Dragon Balls on the Limited-edition Cards!

The Dragon Ball DAIMA Limited-edition Cards consist of a total of eight cards, to be released in two phases within a two-week period. The final four cards are set to be launched at 11am next Monday, which will include popular characters such as Majin Buu (mini) and Kamesennin (mini). The group card of Goku and Vegeta will also be introduced next week, the pearlescent printing makes them highly collectible. Do not miss out on this highly valuable Limited-edition Card that will definitely capture the hearts of Dragon Ball fans! In addition to the three aforementioned Limited-edition Cards, McDonald's will simultaneously introduce the grand surprise – **the Special Edition Shenron Collectible Card** with a dazzling mirror-like texture. Unveil the mysteries of this Special

Edition Card by ordering the designated meals! The Limited-edition Cards are exquisitely made with a unique texture, each card has one of the seven Dragon Balls printed at the back. One can only complete the journey of collecting all seven Dragon Balls by ordering the designated meals and collecting remaining four Limited-edition Cards next week.

Starting at 11am on December 2, Monday, McDonald's App users can purchase designated Dragon Ball DAIMA Series meals using the discount coupons to redeem one of the four exclusive Limited-edition Cards. The designated sets include "\$44 Japanese-Styled Chicken Katsu Burger Meal with Dragon Ball DAIMA Collectible Card" and the "\$44 Teriyaki Crispy Thighs (2 pcs) Meal with Dragon Ball DAIMA Collectible Card", or to purchase designated meals with an additional \$5. The Dragon Ball DAIMA Limited-edition Cards, available only while supplies last, will be distributed at random in themed packaging bags with print of Shenron.

McDonald's App users can also continue to enjoy the exclusive "Dragon Ball DAIMA Limited-edition Collector's Meal" coupon for only \$49. Savor the Japanese-Styled Chicken Katsu Burger meal, along with the selected side items (choose either one from Crispy Purple Sweet Potato Balls (5 pcs) and Chicken McNuggets (4pcs)), as well as the limited-edition paper bag that features Goku (mini) and Supreme Kai (mini). The paper bags are available only while supplies last. Do not miss out on the other coupons from the Dragon Ball DAIMA Series, including "Add \$10 to Extra Value Meal for a Crispy Thighs (1pc)"; and "\$88 Crispy Thighs Sharing Bucket", which allows everyone to enjoy their favorite Crispy Thighs.

Dragon Ball fans, seize the opportunity to collect the complete set of 8 globally exclusive and extremely coveted **Dragon Ball DAIMA Limited-edition Cards and packaging!**
