### **Key Product Provisions**

The following are some key provisions found in the Key Features and Benefits of Insurance Coverage of this plan. This is only a brief summary and you are advised to refer to the actual terms and conditions in the Key Features and Benefits of Insurance Coverage. You should consult a qualified adviser if you require further explanation.

#### **a) Eligibility**

You must meet the following eligibility conditions:

- You must be a public officer covered under the Comprehensive Co-payment Scheme (CCS).
- Your dependants will be eligible to apply for the policy if they are also covered under the CCS.

#### **b) Premiums**

The annual premiums that you pay are based on the class of ward and insured's age next birthday. Premium rates will change when the insured enters a higher age band. Premium rates are not guaranteed and may be reviewed from time to time. Premium rates are inclusive of 9% GST.

Annual renewal premiums are to be paid via ePayment services. For pensioners who are still eligible under the Comprehensive Co-payment Scheme (CCS), you have the option to arrange your annual premium payment to be paid via ePayment services.

Please refer to Appendix 1 of the product summary for the premium rates.

**c) Waiting Period**

For pre-existing illness, we will not pay if the insured had received medical treatment, diagnosis, consultation or prescribed drugs during the 12 months prior to the commencement date of the policy.

For claims arising out of or relating to pregnancy or childbirth, we will not pay if the claims occur within 12 months from the insured's commencement date of policy.

**d) Terms of Renewal**

This policy is yearly renewable and may be renewed for a further calendar year, subject to the receipt of the full renewal premium by Income for the renewal.

**e) Free-Look Period**

You can cancel the insured's cover by giving us a written request within 14 days from receiving the certificate of insurance. If you cancel the policy, we will refund any premiums paid, less any medical fees paid in assessing the risk under this policy. If we send the certificate of insurance by post, we assume it has been delivered and received in the ordinary course of the post, seven days after the date it is posted.

**f) Grace Period**

There is a 30 days grace period to pay the premiums due on your policy. During the grace period, the insured's cover will stay in force. However, if any benefit is payable by us, we will take off any premium you owe from the benefit. If the premium is not paid after the grace period, the policy will automatically end on the day the grace period ends.

**g) Reinstatement Period**

If the policy ends because you have not paid the premium, you can reinstate it no later than 12 months after the cover has ended. This applies as long as you pay all the premiums due, you provide us satisfactory proof of the insured's good health (and pay any costs involved in doing this), confirm that the insured is still eligible for the cover, confirm that there is no significant change in the risks covered and you agree to other terms and conditions before Income (including increasing the insured's premium and adding more exclusions).

**h) Cancellation Clause**

The policy shall end if any of the following events happens:

- the insured ceases to be the policyholder or dependant as defined in the policy;
- death of the policyholder;
- we do not receive the renewal premium for the policy; or
- cancellation of the policy.

We will refund any excess premiums paid if the policyholder cancels the policy or ceases to be eligible for cover under the policy.

**i) Exclusions**

There are certain conditions under which no benefits will be payable. These are stated as exclusions in the Key Features and Benefits of Insurance Coverage. You are advised to read the Key Features and Benefits of Insurance Coverage for the list of exclusions.

- For all policies commencing on or after 1 July 1994, we will not pay for treatment of any pre-existing illness for which the insured had received medical treatment, diagnosis, consultation or prescribed drugs during the 12 months prior to the commencement date of the policy.
- We will not pay the co-payment rate for dental expenses, industrial accidents, major psychiatric illness, cosmetic surgery, drug and alcohol abuse, self-inflicted injuries and any other medical expenses not covered by your employer.
- Claims arising out of or relating to pregnancy or childbirth within 12 months from the insured person's commencement date of policy will not be payable.
- Claims in respect of accouchement charges will be excluded.

**j) Claims**

You must give us the original final medical bills with the claim form. We must be told as soon as possible on the event giving rise to the claim. You (or your legal representative) must tell us in writing, giving full details and providing the proof we need at your own expense.

**k) Any Other Insurance**

If the insured is covered for medical expenses under any other existing policy or policies, we will pay the co-payment rates or the balance of the medical expenses, whichever is lower.

**l) Change of Term and Conditions**

We may vary the terms and conditions of the policy by giving you 30 days' notice in writing at your last known address.
