Other Information	This is a great opportunity and will be a very rewarding year for graduate nurses who wish to gain knowledge and build confidence in this speciality area. Graduate nurses will be able to gain skills in providing holistic care, assessing and managing pain and other symptoms, and communicating with patients, families and multidisciplinary teams. This program will provide experience in both the inpatient and community setting and will consolidate learning and skills.	
Nursing Stream(s) / No of positions	General Nursing (6 mths inpatient and 6 mths community)	TBA
Closing Date for Applications	Friday 9 July 2021

Description of Hospital	Part of St Vincent's Health Australia, St Vincent's Private Hospital Melbourne prides itself on being a recognised market leader. We are a large, modern, private, Catholic, not for profit, tertiary acute care hospital located across 4 sites in Fitzroy, East Melbourne, Kew & Werribee. With a strong sense of mission and values, we are an exciting and dynamic organisation.		
Bed Allocation: Number and Type of Beds	<p>565 Beds</p> <ul style="list-style-type: none"> • Cardiac Unit • Day Procedure Unit • Midwifery • Cardiac & Vascular Cath Lab • Operating Suite • Medical / Surgical • Intensive Care • Acute Neurosciences • Paediatrics • Plastic Surgery • Orthopaedics 		
GRADUATE YEAR PROGRAM Aim of Program	<p>2x6 month acute care rotations, including a speciality area.</p> <p>We offer Graduates the opportunity to nominate preferred clinical rotations from all of the above areas including ICU and midwifery (no prior experience required). Graduated workload on first ward rotation and up to 2 weeks supernumerary in specialty areas. Minimal night duty for entire program.</p> <p>The overall aim of the program is to facilitate the transition from student to Registered Nurse. This is achieved by encouraging the transfer of existing knowledge in to quality patient outcomes, development of competence and skill base, increased capacity to work collaboratively and independently, reflective practice and rotations designed to enhance decision making and critical thinking skills. We proudly offer one of the highest graduate to nurse educator ratios in the state- our dynamic and friendly education and development team will ensure you receive extensive individualised clinical support throughout the entire program.</p>
