

"Where the 'Rivah' flows..."

2023 RIVAH ROSÉ

RANGE: Rivah

REGION: Sunraysia

TASTING NOTE: The Rivah Rosé is a delicate fresh wine with a very attractive fine salmon pink colour, which suggests soft cherry aromas, with hints of strawberries. The palate is vibrant and refreshing and has delicious berry flavours while finishing with a bright and zesty acidity.

VINIFICATION: Shiraz grapes were harvested during the early morning when the fruit temperature is the lowest. The grapes were crushed and destemmed and then followed white winemaking process. Shiraz was processed through a membrane press, where only the free-run fraction was taken for rosé. This fraction was then fined and adjusted to achieve optimum phenolic balance. The free run was then clarified in preparation for inoculation with a selected yeast strain. Once fermentation had actively commenced, temperature was regulated at 16°C, and allowed to proceed to dryness.

Post fermentation yeast was allowed to settle, and the wine was racked to a holding vessel. The subsequent wine shows a light salmon colour without obvious pink tones. After some months of maturing the wine was gently fined, and given a final filtration prior to bottling.

WINE SPECIFICATION:

Alc: 12.5%

TA: 5.3g/L

pH: 3.35

RRP: \$17.95

Vegan Friendly
