

In 1838 Walter Thomson, with wife Jane, arrived in Australia and established a winemaking tradition. Faithful to his approach, our estate grown parcels are carefully tended by our vignerons to create wines of great intensity.

GRAPES

Cabernet Sauvignon

REGION

South Australia

VINIFICATION & WINEMAKING

In 2022, the vineyard experienced primarily mild and cooler growing conditions. The timely arrival of September rainfall further supported the growing season, resulting in consistent fruit maturation. Careful monitoring of the ripening process enabled us to pick the fruit at its optimal stage, yielding a balanced wine. Our 2022 Cabernet Sauvignon was carefully fermented in open topped fermenters to capture vibrant varietal flavours, while being supported with harmonious French oak notes.

ANALYSIS

Alcohol	14.5%
pH	3.7
Titrateable Acidity	5.6

COLOUR

Ruby red with purple hue.

NOSE

Dark fruit of mulberry and plum, with hints of spice.

PALATE

This full-bodied wine has flavours of blackcurrant and toasty oak. It's smooth and rich with long finish and excellent integration of dark fruits and oak.

FOOD MATCH

Barbeque sirloin steak with rich mushroom sauce or slow cooked lamb shank.
