

Angas & Bremer takes its name from two rivers revered as the heart and soul of our region, where vines were first planted over 150 years ago. Despite our long and distinguished history, Langhorne Creek is often regarded as Australia's best kept wine secret.

Pinot Grigio

TASTING NOTES

Our Pinot Grigio displays lifted aromas of citrus fruits and pear. The palate is clean with crisp acidity and an attractive array of floral and fruit flavours.

The style is perfect as a pre-dinner drink and with your favourite seafood.
