

# COTTONTAIL WINES

SWEET WHITE BUNNY [BLEND]

## LOCATION

Cottontail Wines is located in South Eastern Australia, specifically the Gundagai wine region, classically known for ideal growing seasons producing rich fruit characteristics and beautiful berry colouring. The vineyard experiences ideal spring conditions seperating cold winters with hot summers.

## PAIRING

Our Sweet White Bunny is ideally enjoyed slightly chilled. This late harvest Chardonnay is semi-sweet and fruit driven. The balanced acid makes it an excellent choice with a range of Asian style foods.

## KEY NOTES

The splendid growing season for our Chardonnay, with long cool nights and warm summer days, allows for a slow and balance ripening - to bring out the acid. Our Sweet White Bunny is a bright yellow straw colour with an elegant nose of lemon citrus. Made from our Chardonnay grape, the palate is soft with good acid to balance the sugars.
