COLOUR	Pale straw with a vibrant green hue.				

WINE MAKERS COMMENTS

Sourced entirely from the Dowie Vineyard on the cool sandy slopes of Blewitt Springs sub-regions of McLaren Vale. A wine crafted to display the elegant spectrum of Blewitt Springs Sauvignon blanc.

Sauvignon Blanc has a very narrow picking window to ensure the best spectrum of fruit is endured. This vineyard's easterly aspect and large dam at the lowest point of the vineyard protecting the fruit from frost. Allow us to pick at just the right time, preserving what we believe to be the perfect spectrum of Sauvignon Blanc. Displaying this vineyard's true expression of its unique terroir.

Fruit is briefly soaked in the press for one hour prior to pressing to enhance fruit intensity and the aromatic lift of the resulting wine. Fermented cool, in stainless steel to preserve as much fruit character as possible. After which the wine is aged on lees for 7 months to enhance the wine's texture and mouthfeel prior to bottling, 15% of which is in old French oak, the remainder in stainless steel.
