| Grape variety   | Merlot                                                                                                                                                                                                              |
| Vintage         | 2018                                                                                                                                                                                                                |
| Vineyard region | Barossa Valley                                                                                                                                                                                                      |
| Wine analysis   | Alc/Vol: 14.5%, Acidity: 5.9 g/L, pH: 3.41                                                                                                                                                                          |
| Maturation      | 24 months French and American Oak (5% New)                                                                                                                                                                          |
| Colour          | Red                                                                                                                                                                                                                 |
| Nose            | Aromas of fresh red berry fruits and a subtle spice.                                                                                                                                                                |
| Palate          | Full varietal fruit characters and distinctive ripe berry flavours, the wine has been enhanced by maturation in specially selected French oak hogsheads and finishes with good length and light tannin astringency. |
| Peak drinking   | Now – 5 years                                                                                                                                                                                                       |
