YARRA VALLEY

"Fair to say now, with a few vintages under his belt at Punt Road, perky-faced winemaker Tim Shand is turning out some of the best value, and most interesting, wines in the country"

Gary Walsh, The Wine Front

"Indeed it's hard not to marvel at the polish and poise on show here; winemaker Tim Shand is a dab hand at getting things exactly so."

James Halliday Wine Companion 2019

"The Yarra Valley has revealed great pinot noir cred across the board, experimental through to old school, and the Punt Road crew is right up there in top value stakes."

Tony Love, Herald Sun, Daily Telegraph, 2017

WINEMAKER

Tim Shand took over the helm of Punt Road Wines in 2014, after four years as Senior Winemaker with Giant Steps / Innocent Bystander.

Prior to his time with Giant Steps, he was a winemaker for McWilliams and the Hardy's Wine Company as well working a number of overseas vintages - Domaine Dujac in Burgundy and Château Margaux in Bordeaux, as well as stints in Chianti, Oregon and Chile.

VINEYARD

Winemaker Tim Shand selects fruit from over 150 acres of estate-grown vineyards on our 300 acre farm.

The property has been planted with several varieties over the past 27 years, best suited to this site, including Pinot Gris, Chardonnay, Gamay, Pinot Noir, Shiraz, Merlot, Cabernet Franc and Cabernet Sauvignon.

Using minimalist intervention winemaking techniques allows us to deliver wines of outstanding quality, highlighting season variations.

WINES

The Punt Road wines are standard bearers for what the Yarra Valley does best. Classical expressions of traditional, cool-climate varieties. Sourced from the oldest blocks on the Napoleone Vineyard, these are wines of elegance, harmony and character.
