Summary: Cowpunk are a small batch wines made from single sites, crafted by Aaron Mercer and grown by long term friends and acquaintances. 100% unashamedly natural, Cowpunk is leading the charge for the modern drinker seeking wines made in a hands-off manner but still want complexity and enjoyment. Made by award winning winemaker Aaron Mercer this dynamic brand is organic, vegan, preservative free and features no additions.

Vineyards: Sourced from established vineyards in cool, high-altitude Tumbarumba, NSW.

Winemaking: Organic Pinot Noir fruit was picked and de-stemmed, fermented with wild yeast and left on skins for 10 days prior to pressing.

Vintage 2021: After a terrible 2020 growing season the vigneron of the region celebrated a fantastic outcome in 2021. Although wet early in the season, it stayed cool and dry for the remainder of the months up to harvest ensuring yields were up as well as the quality.

Tasting Note: Amazing deep colour that is vivid and bright ensuring a Pinot Noir that is varietal and expressive. A wine that delivers delicacy and power with aromas of cherry and earth. The palate is a mix between sweet and savoury black fruits with a good intensity of flavour and clean natural acidity. A perfect match for mushroom and Tallegio arancini.
