

Optimus

Chardonnay 2021

Region Margaret River Wine Region, Western Australia

Tasting Apricots and white blossom teeming, with subtle white peach. Integrated oak supporting the poise and class of the fruit. Elegant, pretty and classy, yet substantial. A wonderful core of citrus fruits bringing refreshment and length. Great balance and complexity.

Alcohol 12.5%

Blend 100% Chardonnay

Winemaking We set out to make the best Chardonnay we could. Fruit sourced from the best parts of our vineyard, and treated with respect. We let the wine speak for itself with wild fermentation and maturation in French oak, and assisted it with regular lees stirring and topping. A reflection of the region.

Analysis pH: 3.37 TA: 7.0 RS: 0.3g/L
