

2022 Classic Dry Rosé

A classic provençal style of Rosé known for its pale colour and light, dry elegance. This Rosé is made solely from Shiraz our Margaret River alternative grape, grown in our own vineyards.

APPEARANCE

Crystalline pale salmon pink.

NOSE

Very refined, light perfume with strawberry cream, musk and fresh rose petal with a hint of mandarin and apple pie crust.

PALATE

Super light, fresh and musky with a well-balanced soft texture. A slight salty core and a crunchy lightly chalky finish.

WINEMAKER COMMENTS

Shiraz is picked earlier at lower baume to help retain some acid and deliver freshness & fruit purity. Oxidatively handled as juice and then fermented under cool conditions using specially selected organic yeast to produce a wine with a textural and savoury complexity. No oak was used in this wine to preserve the primary fruit purity.

VINTAGE DESCRIPTION

A cool, winter-like spring saw vine growth delayed in development. Rainfall in October was significant. A dry and warm summer, with sustained warmth day and night through December, January and February, possibly influenced by another La Niña season, saw a rapid ripening period for all white varieties, with all vineyards harvested in little over a month. Fruit quality was excellent with surprising delicacy and elegance. A low yielding vintage, primarily due to spring conditions over the past two years. Warm and rapid veraison for reds in early February was ideal and saw the Cabernet's desirable ripe flavours pronounce themselves quickly. Vine health remains fantastic, with fruit quality high and flavours concentrated.

VARIETIES

100% Shiraz

HARVESTED

Late February 2022

PRESSING

Selectiv machine harvested and whole berry air bag pressed

JUICE TURBIDITY

Very clean <10NTU

FERMENTATION

Oxidatively floated juice off solids post pressing and inoculated with organic cultured yeast

FERMENTATION VESSEL

Temperature controlled stainless steel tanks

MATURATION

Stainless steel tank

BOTTLED

May 2022

TA 5.8g/L PH 3.41

RESIDUAL SUGAR 4.0g/L

ALCOHOL 12.5%

VEGAN FRIENDLY Yes

CELLARING Fresh on release, drink now until December 2023
