

In 1838 Walter Thomson, with wife Jane, arrived in Australia and established a winemaking tradition. Faithful to his approach, our estate grown parcels are carefully tended by our vignerons to create wines of great intensity.

## VINIFICATION & WINEMAKING

In 2022, the vineyard experienced primarily mild and cooler growing conditions. The timely arrival of September rainfall further supported the growing season, resulting in consistent fruit maturation. Careful monitoring of the ripening process enabled us to pick the fruit at its optimal stage, yielding a balanced wine.
