

St Johns
WINE

ST JOHNS BROOK

Sauvignon Blanc 2023

Region Margaret River Wine Region, Western Australia

Tasting Bursting with lively aromas of fresh-cut grass alongside crushed mint, gooseberry and white florals. The palate is fresh and lively, with notes of passionfruit, guava and tropical fruit. Its textural quality enhances the complexity and balance of the wine, ensuring it is thoroughly enjoyable.

Winemaking Grapes are harvested at night, crushed and pressed. Fermented at cool temperatures in stainless steel tanks to preserve the aromatics and flavours of this wine. The uniqueness of this Sav Blanc is the secret blend of other varietals giving brightness and complexity.
