

St Johns WINE *Optimus*

Cabernet Sauvignon 2020

Region Margaret River Wine Region, Western Australia

Tasting Dark and rich, with vibrant blackberries, dark cherries and mulberry. Well integrated, cedary oak, with plenty of cassis and spice. Layered, complex, rich, spicy and moreish. The Pinnacle of Margie's Cabernet.

Winemaking Select parcels of fruit picked from our best Cabernet block. Fermented in small, open-top fermenters to allow for greater winemaking flexibility and control over the maceration period. Hand-plunged twice a day. Pressed off into an array of oak. After 18 months of aging, the premium barrels were chosen and blended to create "the best of the best". Filtered and bottled on-site.

Blend 100% Cabernet Sauvignon

Alcohol 15%

Allergen Contains Sulphites

Analysis pH: 3.36 TA: 6.67
