

Knappstein Ackland Vineyard Riesling 2021

THE WINE

- A. The unique terroir of the Ackland Vineyard grows exceptional Riesling. The combination of vine age, soils, aspect and elevation produce elegant wines, always considered a benchmark from each vintage.
- B. Purity, power, persistence. Lime leaf and green apple aromas invigorate the senses. Flavours are delicate and bright but with power to persist, held together with precise acidity. The palate finishes with clean, slate minerality.
- C. Knappstein's single vineyard wines explore the full potential and individual nuances of our unique sites, producing wines with finesse and beauty.

TASTING NOTE

Attractively fragrant with fresh lime, lime peel and lemon, this has a super fresh edge to the nose. Plenty of mineral, too. The palate has good density and depth with intense lime, pear and apple flavors. (*Nick Stock / JamesSuckling.com*)
