

# MOUNT LANGI GHIRAN

## 2019 Billi Billi Riesling

The 2019 Billi Billi Riesling is sourced from our cool climate Estate vineyards, planted on ancient granite soil. The cool climate and distinct soil contributes a bright natural acidity with citrus and granny smith apple character. The 2019 vintage saw lower yields across our vineyards due to a dry winter and spring. Although the harvest may be smaller, the quality is high.

### TASTING NOTE

**Colour:** Pale straw with a vibrant green apple tinge.

**Nose:** Florals and spice, layered with citrus, stone fruits and lime.

**Palate:** A varietal wine with aromas of citrus and granny smith apple. A beautifully rich citrus core of lime juice over preserved lemon weave across the palate. The fine acid structure completes this wine, delivering balance, length and drinkability.

**Cellar:** Drink now and over the next 5 years.

### VINEYARD DETAILS:

**Region:** Grampians.

**Vineyard(s):** Mount Langi Ghiran.

**Vine age:** 15-44 years.

**Soil:** Granite sand over red clay.

**Harvest method:** Machine harvested.

**Harvest date:** Early March 2019.

### WINEMAKING NOTE

**Fermentation method:** This fruit was pressed to stainless steel tank where it saw a slow, cool fermentation to preserve aroma and flavour.
