THE MACCLESFIELD RANGE

**Our premium range of
estate grown wines.**

Longview is home to an abstract sculpture hewn from Macclesfield pink marble: a stone specific to this breathtaking region on the Southern edge of the Adelaide Hills.

Reflecting the art and our geology, we craft complex small-batch wines of beauty, substance and provenance—fine wines born of our cool climate, abundant sunshine, multiple aspects and ancient soils.

Our Macclesfield range includes a cool-climate Syrah, Chardonnay, Grüner Veltliner, Riesling, and Cabernet Sauvignon. All are available for tasting at our Cellar Door.

AT LONGVIEW.**

WELCOME TO LONGVIEW

Make yourself at home.

Start your morning off right by enjoying the complete breakfast provisions available to you in your suite.

Wines and other items are available for purchase.

Visit our friendly team at the Cellar Door and taste the fruits of our labour; an experience that is fun, engaging and filled with discovery.

Feel free to make the most of our stunning surroundings. Stroll down to the outdoor BBQ area, enjoy a game of Bocce, relax on the verandah and lush lawns. Otherwise, take a walk up to the palms and experience where Longview gets its name—all within walking distance of your beautiful 4.5 Star Suite.
