ESTABLISHED 1895

# WINE, YOUR WAY

Experience beyond the bottle

Over four generations and 125 years, Tulloch have been crafting wines and experiences that reach beyond the bottle, creating better lives of wine, food, family & friends.

# *our story*

An unwavering commitment to  
quality & authenticity

From unlikely beginnings over 125 years ago, the Tulloch story is one of the most authentic & generational wine dynasties of modern times.

In 1895 John Younie Tulloch owned a general store and accepted an unusual settlement of a debt - a 43 acre property in Pokolbin. Tulloch took an immediate liking to the property and the five acres of neglected shiraz vines it contained and so began the proud family tradition that continues today.

# *our family*

four generations of family  
tradition

Tulloch Wines is still proudly family owned and operated. Now under the guidance of the 3rd and 4th generation.

Located an easy 2 hour drive North of Sydney in Australia's original wine region, the Hunter Valley. Tulloch is a contemporary Australian brand loved and revered for its philosophy of crafting premium wines and wine experiences for all generations of wine drinkers.

## *our vineyards*

We are firm believers in the philosophy of '*great wines are made in the vineyard*'. Our close relationship with our growers ensure all our wines are a true reflection of place and regional typicity.

Tulloch Wines sources fruit from our own vineyards as well as from growers around the Hunter Valley and emerging NSW wine regions.

The majority of our white varietals are sourced from the fertile soils of the Upper Hunter Valley, where our vineyard enjoys a landmark viticultural site on red loam hillsides. All of these vines are of their own roots and were planted in 1988, including our famous Verdelho, Chardonnay and Semillon vineyards.

Our Shiraz vineyards are located in the small original parish of Pokolbin at the foothills of the Brokenback Mountain range in the heart of the Hunter Valley. Combined with this, fruit is sourced from select Pokolbin '*old vine*' vineyards to produce our award-winning range of Shiraz wines.

We are lucky enough to enjoy long standing relationships with established growers in the cool-climate emerging regions of Young, Hilltops and Orange in the Central West of NSW, from which we source all our European varieties.
