## King Valley Pinot Grigio 2021

COOL CLIMATE  
WINES FROM THE  
KING VALLEY

FAMILY OWNED  
VINEYARDS

Redbank Pinot Grigio is inspired by the Italian heritage of the King Valley region, where the cool, alpine climate is perfectly suited to producing refreshing and aromatic white wines. A wine to be enjoyed with simple fresh food and shared with friends; a tradition passed down through generations. In order to achieve this the fruit is harvested when it is just starting to show flavour while retaining a high level of natural acidity. The combination of altitude and cool summer conditions allows the grapes to ripen evenly which is ideal for producing fine Pinot Grigio.

### TASTING NOTE

Pale straw in color. Aromas of nashi pear and grapefruit. The complex fruit driven flavours of this wine, grapefruit, passionfruit and ripe melons, finish with a great long dry and crisp fullness.

Cold nights, red volcanic soils and the eastern aspect of the King Valley vineyards assist ripening of the fruit and gives this wine its exquisite aromatics and natural freshness. A wine to be enjoyed with rich pork and chicken dishes or equally over a fresh salad lunch with friends.

### TECHNICAL INFORMATION

<b>Variety:</b>	Pinot Grigio
<b>Vintage:</b>	2021
<b>Region:</b>	King Valley
<b>Oak:</b>	Fermented & matured for two months in mature French oak barriques
<b>Alc/Vol:</b>	12.8%
<b>Total Acid:</b>	5.4g/l
<b>pH:</b>	3.16
