

Small Things Wine (Margaret River)

www.smallthingswine.com

Small Things Wine originates from one of the premium wine regions of the world, Margaret River in the south-west of Australia which means we don't need to mess around too much to create great wine. The natural unspoilt environment helps us create unique flavours and character and avoid the need to artificially manipulate our wine.

Why cans? We're committed to reducing our carbon footprint and yours, that's why our premium wine is proudly packaged in one of the most environmentally friendly ways possible. Our cans are in a closed recyclable loop, lightweight and need less energy to manufacture, chill and transport, doing our planet a world of good and helping you to #LIVEUNBOTTLED

Small Things Sauvignon Blanc 2024

Pale straw with green hues. Tropical fruits, guava and passionfruit are enhanced by nectarine and fresh lime. Complimentary flavours of citrus, stone fruit and guava work in harmony with the fresh, natural acidity.

Small Things Pinot Noir 2024

A bright and luscious looking ruby red wine. Strawberry and cherries give way to sweet thyme, rosemary and hints of fennel, cedar and red liquorice. A medium weight, it is nicely balanced by a soft drying tannin structure supporting the lush mulberry finish.
