

SHIRAZ

Our Shiraz is the only wine we give space to breathe and develop, currently pouring our 2018. The most robust and rich wine in our lineup, proudly representing McLaren Vale which is known for its quality Shiraz with distinctive flavours. This wine has the full range of dark forest fruits, fleshy but balanced, with pretty violet notes because of the small concentrated berries.

ABOUT THE GRAPES

These grapes are from the Cooper vineyard, the largest single block. Naturally small, the Shiraz berries are absolutely concentrated with flavour which shows through in the richness of the wine.

TASTING NOTES
