## 2024 VICTORIA PINOT GRIGIO

The Great Alpine Road stretches across Victoria's North-East, from the country town of Wangaratta over the Victorian Alps to the coastal settlement of Bairnsdale. The Alpine Road range of wines takes you on a similar journey. Visit a favourite place or discover an exciting new destination along a road less travelled.

### VINTAGE

The 2024 vintage, shaped by climatic challenges, showcases the skill and resilience of our winemaking team, and the dedicated growers in a multi region fruit sourcing approach. A wet spring led to a warm, sunny vintage period that was condensed and completed by Easter. While yields were down 20% against long-term averages, the quality of both sparkling, white and red wines excelled, with aromatics, flavours and acidity promising a year of outstanding wines.

### MULTI-REGION FRUIT SOURCING

The Alpine Road range exemplifies our pursuit of varietal expression displaying freshness, ripeness, balance and clarity. This is achieved across vintages by blending and crafting wines from fruit sourced from different regions within Victoria.

### VARIETY & STYLE

Pinot Grigio, the grape variety and wine style, is grown and produced successfully in the Northeast of Italy. It has found a thriving home in Victoria's cool climate regions and surrounding wine regions that has led to the production of wines that are both expressive and refined. Alpine Road, embracing the authentic Italian approach to Pinot Grigio, crafts a wine that is crisp and refreshing, with vibrant fruit flavours and a clean finish. This style not only honours the grape's Italian heritage but also showcases the unique characteristics imparted by Victoria's distinctive terroir.

### WINE

A wonderful pale straw colour with hints of green hues. The nose offers up an abundance of Nashi pear, red apple, melon and freshly cut white flowers. The palate displays intense flavours of guava, pear, melon and grapefruit with a crisp acid backbone leading to a finish that is clean and refreshing.
