

TERRA FELIX

Welcome to Terra Felix

泰勒飞力士欢迎您

My father, who came from Austria, believed food and wine are the backbone of a strong family life and it was with his encouragement I decided to make a career of our shared love of wine.

Working with some of Australia's biggest companies, I learnt all I could about the making and marketing of wine – eventually realising I needed to do things my way. So, in 2001, Terra Felix was born.

Terra Felix is Latin for “Lucky Country”, which is how my father described Australia.

Wine is my enduring passion and I want wine lovers to appreciate and enjoy the very best the Lucky Country has to offer.

Unsurprisingly, the main aim of Terra Felix is to create exceptional, affordable wines from Australia's premium growing areas by selecting the best fruit from outstanding vintages.

To secure our future, we are investing in smaller, top quality vineyards, like Red Hill in the Mornington Peninsula.

More expansion is planned, even outside Australia.

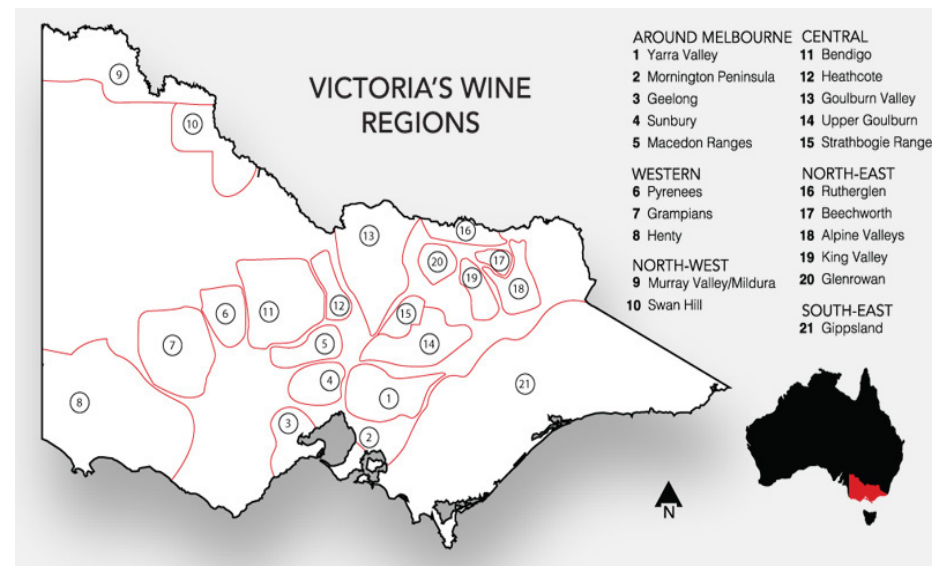

Until then, please enjoy.

Our Vitae range of Shiraz, Chardonnay and Merlot showcases some of the best grape growing regions of Victoria, from Mount Alexander in the Harcourt Valley, to The Grampians and Heathcote.

SPARKLING RANGE

OUR SPARKLING RANGE IS AN EXPRESSION OF OUR LOVE FOR ITALIAN STYLE SPARKLING WINES. LIVELY AND CELEBRATORY, THESE WINES WERE MADE FOR SPECIAL OCCASIONS.

Great wine should be enjoyed with great company, and none more-so than our Sparkling range. Fun, lively and celebratory, these wines are pure joy in every drop. An expression of our love for Italian style sparkling wines, these joyful wines were made for special occasions.

Our highly awarded Victorian Prosecco shows the typical green apple taste so characteristic of best of this style of wine. It is a dry wine with a lovely clean finish. The Moscato is chilled in fermentation to retain natural sweetness, to keep the alcohol at low levels and retain a slight spritz. Its sweetness is balanced with natural acidity to give a long but fresh finish.

Both wines are our interpretation of these traditional Italian wines.
