2021 CABERNET SAUVIGNON- *Margaret River*

Following on from our original vision, risky business utilises the decades of experience from grape grower and viticulturist Rob Quenby and vintner John Waldron. Since 2013 we have been sourcing fruit from Western Australia (primarily from the Margaret River region) and Victoria's King Valley, producing small batches of fine and distinctive wines from each area.

The Western Australian grapes come from Rob's vineyards that are managed by Quenby Viticultural Services, while the King Valley grapes are sourced by winemaker Warren Proft to produce delicate and flavoursome Prosecco, Pinot Gris and Sangiovese varietals.
