

Epic Shiraz 2017

Drink Now - 2047 | Serve Cellar Temperature

The Series

Epic is the pinnacle of our winemaking at Hungerford Hill. Only outstanding barrels from the very best vines, grown in the great vintages are used to make Epic by Hungerford Hill.

Predetermined vines from our Sweetwater vineyard with only the best barrels being selected make up our Epic Shiraz selection. 2050 bottles filled.

The Wine

The Epic range comprises highly concentrated, single-vineyard wines, and this 2017 Shiraz release is no exception. The vintage produced Shiraz with excellent colour, purity of fragrance, seamlessly integrated tannins with elegant mineral structure.

Winemaker's Notes

2017 was the first in a trio of sensational vintages, resulting in a stunning pinnacle. A full bodied Hunter Shiraz which has great elegance, fragrance and is deceptively soft on tannin. This wine will age well and from what we see from this vineyard, one for the collectors and ages.

Food Match

Slow cooked wagyu tri-tip, wood-fired local green peppers, shiso chimichurri (straight from Muse Restaurant)
