2020 CABERNET FRANC

Jo Irvine's passion for the "forgotten varieties of the Barossa" has ultimately led her to become an advocate for the humble Cabernet Franc variety. Delicately perfumed and elegant in flavour, the Art Collect Cabernet Franc possesses a distinct finesse as a beautifully balanced medium-bodied red wine that pairs seamlessly with a diversity of food styles and flavours.

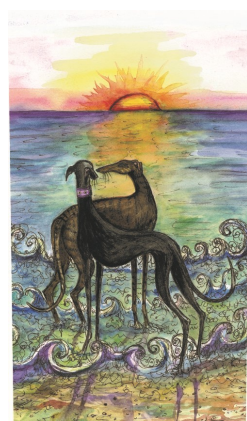

TASTING NOTES

Showing aromatics of roasted red capsicum, raspberry sauce, jalapeno, sweet raspberry compote and earthiness, the palate is layered with flavours of sour cherry, smoky tomato, dried oregano, with sweet peppers dominating the flavour profile. Beautifully balanced with a vibrant acidity and smooth tannins to finish.
