# Cinnabar Grenache Shiraz Mataro McLaren Vale 2020

At Gemtree we farm our estate vineyards organically and biodynamically. This philosophy rewards us with fruit full of flavour and purity; these are the gems from which we craft our fine wines.

## **Cinnabar Grenache, Shiraz, Mataro**

GSM is a blend we love to make and drink in McLaren Vale. It's a delicious, versatile wine that can be enjoyed with many food styles or simply on its own amongst good conversation. Our Cinnabar GSM is blended seamlessly, a bright and lively wine bursting with delicious cherry and raspberry flavours. On a warm afternoon or evening, try chilling in the fridge for an hour or so before drinking.

## **Tasting note**

Being a blend of three varieties, our GSM has lovely and varied aromas and flavours to delve into. Notes of spiced red berries with hints of vanilla oak sweetness fill the glass. The wine is delightfully soft and generous, with ripe raspberry and mulberry flavours. Cinnabar is bright and lively with elegant structure and balance, integrated tannins and a clean, fresh finish.

Varietal—65% Grenache, 25% Shiraz, 10% Mataro  
Alcohol/Volume—14.6%  
pH—3.35  
Titratable Acid—6.0g/L  
Residual Sugar—1.62g/L  
Oak—10 months in 3-4 year old French barriques.

Pair with smoked Texas-style pork ribs, or a vegetable korma.

Drink now — 2024.
