MARGARET RIVER WINES

SAUVIGNON BLANC SEMILLON 2022

WINEMAKER'S NOTE: The classic Margaret River blend. Pale green in colour, with aromas of succulent Sauvignon Blanc and grassy Semillon. The palate is flint-dry with an initial impact of sweet racy fruit and a fine and lengthy finish.

VINTAGE: A wet Spring and early Summer made for long slow ripening in 2022. This provided good condition for flavour development in white varieties.

VINEYARDS: Our vineyards are dispersed across the Margaret River region and performed well under sometimes challenging conditions.

VINIFICATION: Harvested in early morning, crushed grapes were juice-extracted to a bright condition and cold fermented in stainless steel. Early bottled to retain varietal character.
