

credaro

MARGARET RIVER

COLOUR

Vibrant crimson red colour with a dense purple hue.

NOSE

Lifted red and black fruits. Lovely dark spice aromas with dusty nuances.

PALATE

Lovely rich red berry, blackberry fruits underpinning a lovely rich savoury black spice tannin. Subtle influence of oak adds structure. Well balanced acidity leads to a plush rich fruit forward wine.

WINEMAKING

The batch was destemmed (not crushed) and transferred to static tanks and inoculated immediately with a commercial yeast strain. Each tank was pumped over twice daily using a Turbo pier-a red fermentation pump designed in France that floods the cap with a very gentle pumping action. The wines were fermented on skins to dryness at a maximum of 26°C and pressed after 10 days. The wine was racked to barrel for MLF and was then matured for 10 months in 10% new oak barriques. A wine with intense berry flavour; soft, juicy tannins and finishing with the delicate floral and spice perfumes that cool climate Shiraz is known for

VINTAGE NOTES

2019 was a cooler than normal vintage with below average temperatures experienced throughout Spring and Summer. Canopy management was critical to ensure maximum sun exposure reached the fruit. This allowed us to harvest the first of the white grapes with balanced sugar, tight natural acid and clean varietal flavours. Early Autumn rain came just as the majority of the whites were off, allowing the reds to continue to ripen, coming off before the heavy autumn rains hit the region. Wines from 2019 will display elegant fruit flavours, slightly lower alcohols and bright natural acidity.
