

plus & minus

pinot grigio 2022

Region: Australia

Grape Variety: Pinot Grigio

Winemaker: Corey Ryan

Alcohol: Zero Alcohol

Summary: Plus & Minus is a contemporary range of wines developed to be richer in antioxidants, minus the alcohol. These zero alcohol wines have been hand-made without the use of any artificial sweeteners but do see the addition of grape skin extract (GSE) during the winemaking process. This GSE is rich in naturally occurring antioxidants delivering more of those benefits that can already be found in red wine but without the alcohol. The Plus & Minus range of wines have been uniquely hand-crafted using only high-quality grapes from premium, dry-grown South Australian vineyards. This ensures the resultant wines remain vibrant and full-flavoured once the process of removing the alcohol has been completed.

Vineyards: Fruit sourced from vineyards in South Australia.

Vintage 2022: If 2020 was all about the heat, then 2021 will be remembered as the wet season. In many parts of Australia, it was unseasonably wet in winter but not at critical times to do damage nor impact the resultant ripeness of the grapes. A cool and dry summer meant even ripening was achieved between dry and rainy spells and the ensuing fruit quality was excellent and for once yields were up making for a bumper harvest in 2021.

Tasting Note: On the nose it's varietal and has aromas of pear, apple, and citrus with a slight hint of floral characters. The palate is bursting of citrus underpinned by balanced sweetness and acidity. Try it chilled with a soft cheese platter.
