

Australian and New Zealand Masterclass and Free-pour Tasting

Manchester 9 June 2025

Masterclass 10.30 – 12.00 / 14.00 – 15.30

Free-pour tasting 10.00 – 17.00

Thanks for joining us at our Australian and New Zealand Masterclass and Free-pour Tasting. We're delighted to be in Manchester for the second time, showcasing 70 wines throughout the day.

The Aussies and Kiwis have lots in common: fine wine, great food, stunning scenery, the cool Southern Ocean and also our cool Antipodean attitude. Our wines are an expression of our distinctive terroirs and the vibrant communities that craft them. Perfecting traditional techniques and inventing our own ways of doing things, we push the boundaries in the pursuit of the most diverse, thrilling wines in the world.

In this masterclass and free-pour tasting, explore the wines that have put Australia and New Zealand in the spotlight and discover exciting new styles that are coming out of the two countries today. It's a chance to uncover regional and stylistic differences, find out about winemaking techniques and innovative spirit, and look into the future of Australian and New Zealand wine.

Taste minimal intervention and natural wines, new wave styles and alternative varieties like Albariño, Fiano, Zibbibo, Barbera, Montepulciano, Tempranillo and Uva di Troia. If you think Australia is all about Shiraz and New Zealand about Sauvignon Blanc, then think again.

If we can help to answer questions, educate or inspire you, please don't hesitate to ask one of the Wine Australia or New Zealand Winegrowers team or drop us a line on uk@wineaustralia.com or cstroud@nzwine.com.

Don't forget to share your discoveries with us and your fellow tasters. You can join the online conversation with the hashtags #aussiewine #nzwine.

Wine Australia and New Zealand Winegrowers will be teaming up again to run our UK and Ireland 2026 trade tastings in London (27 January), Edinburgh (29 January) and Dublin (3 February). More details will follow and registration will open soon, but for now, please save the date.

We hope you enjoy the tasting today and look forward to hearing your feedback.
