

## 2020 THE ESTATE SHIRAZ

### WINE DESCRIPTION:

Deep crimson in colour with aromas of forest fruits and wild berries with additional complex spice notes. The palate exhibits layers of blackberries, spice, and chocolate finishing with fine, velvety tannins and persistent length. This delicately balanced and well-structured wine is a fine expression of Eden Valley Shiraz.

### WINEMAKING:

This single vineyard Shiraz comes from our Eden Valley estate in the rolling hills of Pewsey Vale with an elevation of 550 metres. All fruits were destemmed, not crushed and poured into open top fermenters. The fruits were then held at 10 - 15 degree Celsius for 3 days before allowing to warm and start fermentation. After 10 days on skins and pumped over twice daily, the wines were pressed into 20% new, 80% seasoned French oak hogsheads, where they matured for 15 months.
