Brand Story:

- Growers Gate was established in 2010 by a collection of like-minded grape growers in South Australia. Close to a decade later, these relationships continue to thrive.
- Honest, down to earth, fair dinkum.
- Direct from the vineyard....to the bottle, representing “farm gate” value.
- When crafting our wines, we recognize the vital role of our Growers and Growers Gate is a celebration of that partnership.

GROWERS GATE

vinternational

- The best grapes from each vintage are selected and bottled under the Growers Gate label.
- Rural excellence: Quality wine starts in the vineyard where vines are nurtured through profound knowledge and a deep understanding and respect for the land.
- Authentic and true, Growers Gate wines are the honest reflection of the Growers' work.

PETER POLLARD - WINEMAKER

Peter was introduced to the wine industry at a young age and quickly developed a passion. While studying for a degree in Oenology at the University of Adelaide, Peter completed a vintage with Peter Lehmann Wines in the Barossa Valley. Intent on broadening his experience, Peter spent the first half of 2001 working as a contract winemaker with Simeon Wines at Loxton and then travelled to the USA to work the 2001 vintage with Geyser Peak Wines in Sonoma Valley, California. In 2001 Peter joined Langhorne Creek Winery as Assistant Winemaker. Peter continued to grow and challenge himself as the business has expanded and he is now Project Wine's Senior Winemaker.
